MEMORANDUM FOR: Deputy Director for Administration

FROM: Bruce T. Johnson
Director of Data Processing

SUBJECT: ODP Report for Week Ending 13 August 1980

FRS Ready for Budget Cycle

All of the data required in preparation for the OMB budget cycle has been loaded into the FRS data bases. Worksheets for the Budget Officer have also been produced. The data bases will be opened up to Agency Budget Officers for inputting in the near future. Once the data bases are opened, the budget cycle should last two to three weeks.

Support to DDO

CENCO (Central Cover Staff Data Base). The relocation of CENCO to the Special Center was completed and systems testing is underway. Parallel operation of the system in both centers is scheduled through next week. If testing is satisfactory, CENCO will be running only in GC47 as of 23 August 1980 as the first GIMS data base in the Special Center.

Support to Office of Security

WORDP (Office Automation Survey for Office of Security [REDACTED]). This study has been completed and forwarded to OS. A briefing for the Director of Security is scheduled for 15 August. [REDACTED]
